### Project

Field(s)	EUROPE FOR CITIZENS, Debate on future of Europe
Description	<p>The project FAIR SOCIETY: THE FUTURE OF EUROPE has goal to raise awareness about necessity of developing fair society, building sustainable economic relations and creating a vision for the future of Europe and the world.</p> <p>The implementation of the project include organizing conferences and debates in every involved country, where goals, priorities, and measures of „Strategy for creating a fair society“ should be discussed and designed during the project. On these conferences the participants will have the opportunity to exchange their opinions and experiences, and show examples of good practice from each country involved in the project.</p> <p>That will lead to common „Strategy for creating a fair society“ as a result of mutual cooperation and active engagement of all participants.</p>
