Description of the project	
Strand, Measure in the framework of „Europe for Citizens“ Programme	<p>3. Civil society projects</p> <p>democratic engagement & civic participation-getting citizens involved</p> <p>Priorities for 2016: Understanding and Debating Euroscepticism</p>
Timetable of the project	12 month
Short description of the project, including its aims	<p>The involvement of citizens and civil society organisations in the process of European integration is very important. Despite the long period of preparation of Macedonian citizens in the processes of Euro integration of the country is evident that there is a lack of information on European Union and the process of European integration in general. European integration process much easier to place with the understanding and public support than it is opposed.</p> <ul style="list-style-type: none"> - There is a evident lack of knowledge and information of the target groups about the EU and the understanding of European integration process, - Ignorance of European priority themes - European Citizenship, Intercultural dialogue and Volunteering; - Ignorance of the target groups with available EU programmes and pre-accession funds for Macedonia. <p>On the regional and local level there are no survey data and research of the opinion of the citizenship about the EU issues to address correctly the future regional policies.</p> <p>The project Ohrid Communicating Europe (O.C.E.) will contribute to achieve it through five specific objectives:</p> <ol style="list-style-type: none"> 1. to wide the knowledge and information of the target groups about the EU and the understanding of European integration process;

	<ol style="list-style-type: none"> 2. to promote European priority themes - European Citizenship, Intercultural dialogue and Volunteering; 3. to arouse their interest in and need for information about the EU through activities of facilitation of the access to the existing sources of information and creation of new ones; 4. to familiarize the target groups with available EU programmes and pre-accession funds for Macedonia. 5. To analyse the opinion of the citizens about the EU issues to address correctly the future regional policies.
Role of the partner organisation in the project	<p>Partner organization will need to provide:</p> <ul style="list-style-type: none"> -Sharing experiences to wide the knowledge and information of the target groups about the EU and the understanding of European integration process; -Presentation of European values through educational workshops - promote European priority themes - European Citizenship, Intercultural dialogue and Volunteering;
Comments from the applicant	<p>*Partner organization may also occur as a leading partner in the project, where we will be the second (local) partner</p> <p>* We would have preferred partners from Germany, Croatia, Slovenia, Austria</p>
