Organization

Name

Confederation of Associations of Neighborhood of Catalonia (CONFAVC)

Short description

Is a nonprofit organization, declared a public utility is a nonprofit organization that coordinates 535 neighbourhood organizations (AV) and 23 federations and works to improve the quality of life of residents from all the neighbourhoods in Catalonia.

Our ideology: cohesive neighbourhoods:

1. Social cohesion and equal opportunities.
2. The right to adequate housing.
3. A network of public health and educational of quality.
4. Basic services - water, electricity, public transport, and available to everyone!
5. Multilingual and multicultural neighbourhoods where Catalan is heritage of the neighbourhood.
6. Sustainable production models.
7. We want spaces for real participation in governance

The functions of the CONFAVC: the support and coordination of associations and federations. The representation i institutional and social dialogue of the neighborhood movement in Catalonia. Promote initiatives, performances and demonstrations of common interest for the realization of its mission. Conduct studies, projects and publications to guide and raise existing problems. Develop community services of interest to the residents. Provide information and training tools. Promote and encourage public participation processes and social dialogue.
