

CHAMBER CHOIR „KAŽI” (CATS) FROM LATVIA!

The story of the chamber choir „Kaži” began in 2001 when several artists of Valmiera decided to put on the famous musical by A.L.Webber “Cats”. Already then they knew that this was only the beginning of a long lasting cooperation and hence the chamber choir “Kaži” (Cats) was established. Ever since it has expanded and now gathers 25 active, creative and music loving choir singers.

The success of the choir lies in the fact that all of the singers sincerely love music, respect each other and, most importantly – are always willing to deliver high quality concerts that would leave no one indifferent. The programme includes classical masterpieces, folk songs and songs that are loved by the general public. To emphasize their uniqueness, in every concert an original song specially written for “Kaži” is being performed as well.

In the past 13 years the choir has intensively travelled around Latvia, offering solo concerts, as well it performed in many city festivals and corporative and private events, making every celebration an unforgettable experience. Furthermore, “Kaži” has extensively concerted abroad – we have had concerts in Russia, Norway, Estonia and Lithuania. In 2011 “Kaži” had a splendid 10 year anniversary concert in Valmiera Drama Theatre.

A cat is an animal which does what it wants and goes where it wants. And, as long as this road will lead towards music, „Kaži” will purr in satisfaction!
