<b>Project</b>	
Field(s)	Culture and Arts Folklore
Description	<b><i>Marvão European Folk Festival</i></b> <b>4 events</b> of folklore from EU Member States– 2 events will take place on the second weekend of July in Santo António das Areias (Marvão); the other 2 will take place on a location to agree with the participant groups. Participants must be <b>organized groups</b> of citizens (represented by themselves or by other entity) from other EU Member States, which are devoted to their <b>local folklore</b> – music, dance and clothes. Our main purpose is to have 4 international events that confirms EU <b>diversity</b> and <b>friendship</b> , our biggest strengths, promote <b>intercultural dialogue</b> , mutual <b>understanding</b> and full <b>European citizenship</b> , through organised demonstrations of music and dance from specific regions of EU. We expect the partner's participation to be financed by this Program.

Our local folklore group is a part of this institution and we see this project as the basis for future actions and events between the towns, groups and communities involved.
