

## Call for proposal

### Program "Europe for Citizens 2014"

**Strand 2:** Democratic engagement and civic participation

**Deadline:** 1<sup>st</sup> of September 2014

**Project Title:** Responsible for the country - responsible for Europe

#### Aim of the project

The aim of the project is to promote democratic and civic participation in European level through development of understanding the EU policy making process for citizens and increase public awareness about the importance of the decisions taken by the European Parliament for national policies.

#### Activities:

3-days meeting, which will be simulate the deliberations of the European Parliament. The meetings will take part in each partner country. The participants (20 from each country) will make fractions, discuss and adopt resolutions on a specific topic. After returning home, they will collect individual opinions of citizens on specific issues (eg via the Internet). In each country will be organized also open space debate on EU policies and activities of the European Parliament for all citizens of the city/region.

#### Target group:

- NGOs focused on active citizenship
- High school students
- citizens of the cities/regions

#### Partners:

NGOs from countries with the lower voter turnout in the last election to European Parliament.
