

Invitation to Partnership in a European project (Call for Partners)

Civil Rights of European Senior Citizens: Active Ageing and Geriatric Care

Lead Partner: Association „Pro Ethica” www.proethica.pl,
https://www.facebook.com/proethica?ref_type=bookmark

Our organisation coordinates and manages an Active Ageing and Elderly Support Centre. We organize training courses and hobby classes for retired people in the following areas: new technologies (computer and digital photography), arts and crafts, painting, art, gardening, foreign languages, local culture (regional costumes, dialect and local history), gymnastics, Grandmother, Grandfather and Grandchildren Club (integration classes for seniors and children up to 3 years). We have developed our own training programme for improving memory and preventing dementia. We also coordinate a senior volunteering programme aimed at children, the elderly, disadvantaged groups and local community.

This project is delivered in partnership with a public nursing home „Złota Jesień- Golden Autumn” which provides accommodation and services for its 58 elderly residents.
